

## Helicopter Transparencies

Air and Ground Limited is offering a Managed Asset Program, for Windscreen and Transparencies. This includes repair management including JIT Exchange and Replacement within Europe.

We look to ensure your company does not loose valuable revenue and flying time with aircraft grounded awaiting the supply of transparencies.

Air and Ground has large inventory of JIT units covering following aircraft types.

- ♦ Alouette II SE 3130, SE 3150, SE 3180
- ♦ Alouette III SE 3160, SA 319
- ♦ Puma SA 330
- ♦ Super Puma AS 332, EC 225
- ♦ Gazelle SA 341, SA 342
- ♦ Ecureuil (Squirrel) AS 350, AS 355, EC 120, EC130
- ♦ Dauphin (Dolphin) SA 360, SA 365, EC 155
- ♦ Sikorsky S-61
